

Storytellers of Canada Conteurs du Canada

Supporting, promoting and contributing
to the art of oral storytelling in Canada
Soutien, promotion et contribution
à l'art de conter au Canada.

Storytellers of Canada/Conteurs du Canada is the only national, non-profit, charitable organization dedicated to supporting and promoting the art of oral storytelling, one of the oldest art forms. Storytelling is experiencing an amazing revival in many countries including Canada. Formed in response to this revival, **SC-CC** continues to develop as more storytellers and listeners join. **Our successes in revitalizing storytelling:**

- SC-CC is now a National Arts Service Organization (NASO)
- SC-CC ensured that storytelling is eligible for Canada Council Literary Grants
- StorySave Project of SC-CC preserves Canada's accomplished storytellers on CD and on-line
- SC-CC developed the Storytelling Mentor Program in Canada
- SC-CC partners with the Canadian Children's Book Centre's annual Book Week Tour
- SC-CC created community of storytellers across Canada
